Faith in Later Life

'We are dedicated to inspiring and equipping Christians to reach, serve and empower older people in every community, through the local Church'

**"They will flourish... and bear fruit in old age."
(Psalm 92:13-14)**

ABOUT US

We are UK registered charity that began in response to a growing need for local churches to receive support in their ministries among older people.

We have grown to now inspire and equip a national community of over 1,000 Church Champions serving and empowering older people. These are people in churches around the UK, paid or unpaid, maybe like yourself, who have a heart for older people and who are already ministering, or are about to start ministering among those in later life in some way.

WHAT WE DO

We **inspire and support excellent seniors ministry** in local churches with our free guidance, resources and online and in person events.

We provide **DailyHope**, a free dial in service that operates 24 hours a day, seven days a week.

We **raise awareness** of later life issues such as ageism, loneliness, and how to share the gospel with older people.

We regularly feature in the media including BBC Radio, Premier Christian Radio, UCB and God TV.

TESTIMONIALS

“I am 95 and I get up very early, I love to start the day with my landline telephone, I do get to church, but I enjoy the hymns on the phone as well.”

Anne, DailyHope listener

“Since becoming a Church Champion, I am coming across lots of Christian charities doing invaluable practical work to make a difference to individuals in the world.”

Anonymous, Church Champion

“I found the reiterating of Faith in Later Life’s focus and values useful and challenging particularly as I am preparing to take the midweek meeting for older people next week at my church. To my frustration the tendency is to see this meeting more as a ‘club’ and an occasion to see friends rather than a Gospel outreach. Thank you for the reminder to always present the good news of Jesus.”

ENDORSEMENTS

“I am so behind the ministry of Faith in Later Life. The work they do with elders is so important and of such significance to the Kingdom. Do get behind them if you possibly can.”

Gavin Calver, CEO of The Evangelical Alliance

“What a huge gap is filled by Faith in Later Life! Not only for us ‘oldies’, but for all who care about us, its enthusiasm, expertise and help are the best. Great guidance and a sense of God’s love: I’m a fan!”

Canon Ian Knox, Evangelist and Author

“There is a great need for information that is based on solid Bible teaching and is proven in practice. I applaud Faith in Later Life for being prepared to commission work of this kind where there are gaps, and to make what already exists more accessible”

Roger Hitchings, Pastor and Conference Speaker
